

Welcome To NA

WHO WE ARE

Anyone who wants to stop using drugs may become a member of Narcotics Anonymous (NA). Membership is not limited to addicts using any particular drug. Those who feel they may have a problem with drugs, legal or illegal, including alcohol, are welcome in NA Recovery in NA focuses on the problem of addiction, not on any particular drug.

WHAT WE ARE

Narcotics Anonymous is a self-supporting international, community based fellowship for recovering addicts. Narcotics Anonymous members learn from one another how to live drug-free and recover from the effects of addiction in their lives.

WHERE WE ARE

Most NA meetings are held regularly at the same time and place each week, usually in a public facility. There are two basic types of meetings, those, which are open to the public, and those closed to the public (for addicts or those who think they may have a drug problem only). NA meetings are informally structured. The function of any meeting is always the same; to provide a suitable and reliable environment for personal recovery.
