EKASC
Alternate Chair's Report

August 25, 2018

Good morning everyone welcome to the solution, we can accomplish a lot together, but we are destined to live in despair when going it alone. If you could make the difference in the live of one addict, wouldn't it be worth it? Get up prioritize and get involved!

I begin by thanking you for voting me in as your alternate chairperson. I will do my best to live up to your confidence in me.

It has been a busy month attending the sub-committee meetings to access where each committee is at if you will. I am pleased to tell you that the P.I. and the Activities Committees are hanging in there with the help of some dedicated addicts.

Another addict and I attended the Archive Chair's house and picked up the Activitie's Events storage bins. They are currently at my house and we will be making an itemized list of what is in the bins to the best of our ability. According to the outgoing chair no food products remain with the committee so, we expect the bins to be mainly event decorations and so forth. When the list is compiled it will be copied to the area secretary. We will run a grocery type list and add and subtract products as needed for our events. This will hopefully help the incoming chair to be better prepared, the term we call mentorship.

One of the duties in the alternate chair description is essentially chairing, chair less committees. I believe the position also requires the encouragement of members of the fellowship to either continue in or start doing NA Service. As such you will be seeing me approaching many members of the fellowship to help explain better the need for service and how it is a distinct part of this program. Please don't be offended I just don't like the lack of willingness in our area right now so as a member I will try to get the message out there.

I will read reports for the individual committees as they are called. I am looking forward to working with Tom and Stephen and with all the fellowship. If I can assist you, please approach me the only silly question is the one that wasn't asked.

YILS,

Tony F.
EKASC

Good morning I'm an addict, my name is Steven.

This month has been hectic for me with some life changes and I apologize for the late minutes. However, all but 1 home group had them available for their business meetings but I was able to walk the other home group through the agenda so they could proceed with conscience. As well, I've realized I misplaced the mail box key and wasn't able to check it this month. I have now found the key and will continue to check the mailbox and will bring all material to the next meeting. If I find any pressing material I will contact those it pertains to and make arrangements to deliver it.

As the P&G workshop continues each month before area, I am taking notes for my recommendations. My time line doesn't seem to be realistic to be meet for my recommendations to be presented for the November meeting for voting to happen and implemented for the December meeting. What I will do is present the recommendations I have to that point in time and continue in the new year. I was hoping to have all recommendations done for the reprint in January.

Please remember to bring to your home groups the number of positions that are currently available here at Area and that nominations for Administration positions are coming up quickly.

Have a great meeting and enjoy What is left of the summer.

Yours in loving service,

Steven B-C

Monthly Report

August 25, 2018

Hello people my name is Tony and I am an addict.

I attended the P.I. Meeting this month and I was happy to learn that the committee is not only meeting their current commitments but have also taking on an additional commitment under the tutelage of some dedicated addicts.

The meeting was attended by Tom and I and it was quite productive. Addicts like Derek, Kelly, Kim, Tom and others have all reached out and contacted several of our former presentation facilities. The need for knowledge about addiction is desperately needed in our area, but when it comes to willingness we are missing the mark.

We are in communication with:

1. Both Public and Catholic High Schools (more to be revealed)
2. Onward Program
3. Maryvale
4. New Beginnings
5. The House of Sophrosyne

There are more to be contacted we need your help please come and learn what we are about, September 3rd, 2018 Westminster United 1680 Dougall Ave @ 6:00pm.

NEWSLETTER CHAIR REPORT

August 25TH, 2018

Good morning everyone, I'm Sonya and I'm a grateful recovering addict. This month, 95 copies of the Messenger were printed, the total cost was \$52.25, for which I have submitted a receipt. I will also be mailing copies to one out of town group at a cost of \$2.05, which I will submit a receipt for next month. After additionally paying rent for the business meeting, I was \$10.70 under budget, which I am returning to area. I am requesting \$66.00 for next month's printing.

I have been in communication and working well with the other sub-committees. There is an increase in submissions from both the committees and the home groups. If there is any information you wish to have included in the Messenger, please let me know by the 20th of each month to ensure it is included. Also, if any GSR's would like to have their homegroups mentioned, whether for meeting changes, support needed, etc. please e-mail the Messenger or write it on the sheet that is being circulated. Please make sure that the information is correct.

Thank you for allowing me to be of service,

Much gratitude, Sonya F
