REPORT

May 1, 2020

Hello everyone, my name is James K. and I am an addict and your area treasurer. As you all know the Area services have all been shut down except the phone line and most all meetings are virtual with no cost to our Area. Our account has a balance of \$4,506.94 with a monthly budget of \$39.55 for the phone line this month. The on-line meetings have contributed a total of \$200.63 in the month of April and the Speakeasy Group has paid the phone bill of \$39.55

Thanks for allowing me to be of service and hope you are all staying safe and healthy and I hope to see you all soon. James K.

Hello,

I am an addict my name is Phil.

I hope that this report finds everyone in good health. I'm sure that the past few weeks have been a huge adjustment for all of us in the fellowship. Many have had to find new avenues to explore their recoveries. From online meetings to step studies over the phone, we have been forced to interact while maintaining social distance.

Many of us have found ourselves laid off, waiting for non essential businesses to re open. Sitting at home isolated and idle looking for ways to fill our day. The most important thing we can do is continue to look to our literature and connections within the fellowship to help us get through these hard times.

Until meeting venues re open meetings will surely continue on Zoom. Even if a local Zoom meeting is not in progress other meetings from other areas in our region and around the world can easily be found online. Many new perspectives, stories, lessons and ideas are available to us in meetings outside of our local area. Hopefully we can use some of this experience to aid us in getting through this current pandemic.

I have a lot going on in my personal, home, and work life and it almost seems as if nothing has changed aside from being able to physically attend a meeting. I know this is not the case for all of us and with that being said I wish that everyone stay safe and stay healthy and hope soon we can all connect again with the warm hugs that we have learned to love and enjoy!

Yours in service,

Phil E
