TREASURER

REPORT

June 11, 2020

Hello everyone, My name is James K. and I am an addict and also your Area Treasurer. I hope everyone is staying connected in these trying times because your health is most important and I hope to see you all very soon in a regular meeting. As for the money matters there has been very little action because we have no expenses and only receive regular deposits from the active meetings you have been attending and making your contributions through our 7th Tradition. We have a balance of \$4,641.27 with a budget of \$0 this month.

Thank you for allowing me to be of service to the fellowship of NA.

James K.
